ABOUT US

HÅMSØ PATENTBYRÅ

With over 75 years of experience, we help clients protect and strengthen their patents, trademarks and designs — in Europe, the UK, Norway and beyond.

Our offices are located in **Stavanger** and **Oslo**, and we maintain a managed postal address in **London** to enable direct representation before the UKIPO. We are committed to delivering clear, practical advice with a client-first approach.

Our international team includes professionals from six different nationalities, with extensive experience from private practice, in-house IP departments across major European jurisdictions, and former senior examiner from the UKIPO.

Håmsø

INTRODUCTION FROM OUR CEO

Welcome to Håmsø Patentbyrå AS. As the CEO and Partner, I am honored to introduce you to our firm, a European leader in intellectual property services. Our mission since 1950 has been to empower innovators and businesses by safeguarding their ideas and inventions through patent, trademark, and design protection.

We pride ourselves on our expertise, dedication and personalised approach resulting in long-term relations with our clients and agents. Our international team of experienced professionals is committed to providing top-notch services that meet the unique needs of each client.

We understand the importance of intellectual property in driving innovation and growth, and we strive to be your trusted partner in navigating the complexities of IP law in Europe, UK and Norway.

Thank you for considering Håmsø Patentbyrå AS.

Håmsø

AWARDS AND RECOGNITIONS

For the sixth year in a row, Håmsø Patentbyrå is ranked as one of the top patent law firms in Europe by the Financial Times, and we're honoured to be the only one in Norway to receive this recognition.

This series of awards acknowledges the value our services bring to our clients both in Norway and abroad, as well as our unrelenting commitment to quality.
